

Food Program would be ready for the August board meeting. Two locations still need to submit their final meal counts for the Summer Food Program and statistics from all locations need to be gathered and tabulated.

- As part of the 2025 Summer Reading / Summer Food activity the PWRL Assistant Director worked with the PWRL Mini Librarian to identify outreach opportunities at each Mini Library Location to help improve library engagement in those communities. Ashley has created a spreadsheet to record ongoing outreach efforts at these locations. Preparation for fall storytime sessions is in progress and the Mini Librarian should now be reaching out to local schools to identify any possible partnerships that might be developed as we move into a new school year.
