

The background is dark brown with various fossil and skeleton illustrations in a lighter brown, hand-drawn style. These include a dinosaur skeleton in the top left, a trilobite in the top center, a mammoth skeleton in the top right, a dinosaur skull in the middle left, a trilobite in the middle left, a dinosaur skull in the middle right, a trilobite in the bottom left, a dinosaur skeleton in the bottom center, and a trilobite in the bottom right. There are also some leaf-like shapes scattered throughout.

MILFORD NATURE CENTER

presents....

UNEARTHING KANSAS FOSSILS

Long ago, Kansas was covered by a giant sea.
The fossils we find help us uncover the story of
the amazing creatures that once lived there!
