Another successful year of the Pottawatomie Wabaunsee Regional Library Summer Reading Program and this year, “Libraries Rock!”

All eight PWRL locations jammed out to music-themed programming and we got some great photos of all the fun!

Milford Nature Center visited us again this year and brought some of nature’s musicians.

In 2018, Pottawatomie Wabaunsee Regional Library offered the Summer Food Program for the 3rd year. This year the Library partnered for the 2nd time with Catholic Charities to provide free meals to anyone under the age of 18. Parents or Caregivers who accompanied their children were also welcome to enjoy a free lunch at the library. There were no income requirements or registration. For more information about the Catholic Charities of Northeast Kansas Kids Summer Food Program, visit <https://catholiccharitiesks.org/kids-summer-food-program/> This year's program got mention in the Leaven, the official newspaper for the Catholic Archdiocese of Kansas City in Kansas. Seeking to Fill: *Collection Management Position*

Salary: \$29,140 - \$30,014 annually

Benefits: Paid Vacation / Sick Leave / Holidays / KPERS

This position plays an important role in sustaining library and information services in Pottawatomie and Wabaunsee Counties. The Collection Development Manager is scheduled to work forty hours a week and may have occasional evening and weekend duties. MLS, comparable relevant education, or extensive practical library experience needed; requires excellent communication / interpersonal skills; attention to detail a must.

Responsibilities include coordinating the collection development activities of the Pottawatomie Wabaunsee Regional Library in all material formats; directing material selection and conducting ongoing collection survey and evaluation; working as part of a team effort to rotate materials through all of PWRL's eight locations in the two counties; managing ongoing materials review and de-selection according to an established schedule. Position requires physical dexterity and strength to move books and other materials across the system. Travel in Pottawatomie and Wabaunsee Counties is required.

Desirable Qualifications

- A. Library experience
- B. MLS or comparable relevant education,
- C. One to three years of management experience working in an automated library environment

The Collection Management position is eligible for vacation and sick leave, and the successful applicant will be enrolled in the KPERS retirement program. Interviews will be scheduled to fill the positions as quickly as possible. Applications and a complete job description are available upon request at the St. Marys Headquarters Library. Applications will be taken until the position is filled.

FREE RESOURCES

Auto Repair Reference Center

Need a wiring schematic or auto part information? The Auto Repair Reference Center is a free reference for individuals with a Kansas State Library Card. The user uses drop-down menus to select his/her vehicle and receives vehicle-specific repair information.

Auto IQ provides videos about how auto components function. This is a useful information source for beginners and a great review for more knowledgeable users.

The **Care & Repair Tips** section is a great reference for the everyday ins-and-outs of vehicle ownership broken down into easily accessible sections. Not only is the Care & Repair section set up similarly to your vehicle's User Guide, it has the advantage of being keyword searchable for quick reference.

The **Troubleshooting** section is an essential resource that you may wonder how you could have lived without. As an in-depth support system, this section will help you figure out any issues an auto user may come across. Like the Care & Repair Tips section,

Troubleshooting is broken down into keyword searchable subsections. Use this resource especially in those times when you feel like you've tried *everything* because its extensive databases might just provide you the coveted resolution you are looking for.

From the website:

Auto Repair Reference Center (ARRC) is the most comprehensive collection of automobile repair reference information and contains repair and maintenance information on most major manufacturers of domestic and imported vehicles. New repair procedures, TSBs and updates are added to the product on a regular basis.

All of the content in ARRC has been created by ASE certified technicians.

ARRC Content/Features Include:

- Coverage of more than 37,000 vehicles from 1954 to present
- Millions of drawings and step-by-step photographs
- Approximately 110,000 technical service bulletins & recalls issued by the original equipment vehicle manufacturer
- Over 180,000 enhanced wiring diagrams for easy viewing and printing
- Specifications & maintenance schedules
- Labor Time Guide & Estimator
- Video overviews of auto systems with AutoIQ
- Quick Tips (a complete guide to vehicle ownership & maintenance)
- Ability to email high-quality PDF records
- Diagnostic information
- Unique, user-friendly interface
