

How to use Sunflower eLibrary on your Mobile Device

- * Patrons with tablets or smartphones with internet access can download eBooks and digital audiobooks directly to their devices.
- * Search the app store on your device for "**OverDrive**". Click to download and install the application on your device.
- * Open the Overdrive application and go to the main menu at the top left. Click **Settings** and then click the **AUTHORIZE** button. Click **USE ADOBE ID** and enter your Adobe ID and password.
- * If you don't have an Adobe ID, you can sign up and get one online at <https://accounts.adobe.com>
- * Go back to the main menu and click **Manage Libraries**. Click the **Plus Sign** in the upper right corner to **Add a Library**
- * Search for "**Pottawatomie Wabaunsee Regional Library**"
- * Choose your local branch and click the library name. When it is displayed click the star beside "**Sunflower eLibrary**" to add it to your saved libraries.
- * To begin using the application, go back to the main menu and choose **Sunflower eLibrary** from the **Libraries List** at the top.
- * Follow the directions for signing in, searching, checkout, and placing holds as described elsewhere in this brochure.
- * To access your account information, click to view your account page under the personal menu at the top right side of the screen. Click **Loans** to view all items checked out on your account. If multiple formats are available, choose the desired format, then click **Add to App** to download the title directly to your device.
- * To access your titles, go back to the main menu at the top left. Click **Bookshelf**. Click the item you want to view to open it on your device.

For Kindle eBooks

- * Choose **Kindle book** from the Download format menu.
- * You will be taken to Amazon's website.
- * Click **Get Library Book**.
- * Sign in to your Amazon account and choose the device to which you want the eBook to be downloaded.
- * Your digital library eBook should be delivered to your device the next time it syncs with your Amazon account.
- * There are no charges to download books borrowed from Sunflower eLibrary.

How do I start?

- * On your computer go to **www.pottwab.org** and click the link for Sunflower eLibrary or go to the site directly at **https://sunflowerlibrary.overdrive.com/**
- * Click "Sign In" on the top right of the page.
- * Choose "**Pottawatomie Wabaunsee Regional Library**" when prompted to select your library from the drop down list on the left side of the screen.
- * Type in your Library card number (14 digit number printed on the back of your library card)
- * Click **Sign In**
- * To Search: select an item by
 - * clicking on a shortcut link to browse subjects or collections
 - * clicking on a cover image
 - * or entering a search term in the **search** box beside the magnifying glass and choosing an item from the results list.

How to Check Items Out (eBooks/audiobooks):

Browse or search for the item you wish to check out. Cover art for each item will be displayed. If you click the item itself, you will be directed to a full description of the title where you can read the summary, verify the available formats, or modify your loan period.

If the item says "**Available**" at the top, click the "**Borrow**" link under the item. If the item says "**Wait List**", someone else has it checked out. Click the "**Place a Hold**" link under the item and you will be notified when the item is available for you to check out.

How to place a hold on an item

- * If a desired item is on the "**Wait List**", place a hold as described above.
- * To place an item on hold, you need to be logged into your account.
- * You must enter your e-mail address to be notified when the item is available to check out.
- * You may have a total of 7 items on hold.
- * If you place a hold and change your mind, you can cancel it using the **Account** link and clicking "**Holds**".

- * You can check out a maximum of 5 items at one time.
- * You can change the default loan periods by going to **Account** and choosing **Settings**.
- * No overdue or lost items. All items are returned automatically when due.

How to Download eBooks to a computer

- * First, download & install Adobe Digital Editions from **http://www.adobe.com/solutions/ebook/digital-editions/download.html**
- * Once installed, click the "**Help**" menu in Adobe Digital Editions and authorize your computer by entering your Adobe ID and Password.

How do I download eBooks to a computer - continued

- * To download a borrowed item, click "**My Account**" while logged into the **Sunflower eLibrary** and choose "**Loans**". If multiple formats are available, you will be prompted to choose a format and click to download.
- * Save the eBook file and open it with the Adobe Digital Editions software where it will be located on your library bookshelf.

How to download audiobooks to your computer

- * Sign-in to your **Sunflower eLibrary** account on your computer.
- * Click "**Help**" at the top of the Sunflower eLibrary sign-in page.
- * Click "**Get the App**" at the bottom right of the help screen to download and install the **OverDrive Media Console** software.
- * To download a borrowed item, click "**My Account**" while logged into the **Sunflower eLibrary** and choose "**Loans**". If multiple formats are available, you will be prompted to choose a format and click to download.
- * Confirm that the OverDrive Media app is installed and save the audiobook file to your computer.
- * Click to open the audiobook file and the Overdrive Media Console will open. Click **OK**.
- * Select the parts to download by checking or unchecking the boxes next to each section of the audiobook file (usually all parts). Click **OK**.
- * Once the download is complete, click **Play** to listen to the book on your computer.
- * To transfer the book to your mobile device, select the book in the OverDrive Media Console and click **Transfer**. You will be prompted to connect your device and click **Next**.
- * **Select All** parts of the audiobook file to transfer, and click **Next**. Use **Advanced Options** in this menu to save the audiobook where you want it on your device. The default location is usually the music folder.
- * At the prompt, click **Finish**, and disconnect the device from the computer.
