The Flipster® App

The *Flipster* app manages your magazines downloaded from the *Flipster* website for offline viewing. To download the free *Flipster* app, search the iTunes app store or the Google Play Store for “Flipster.”

- Locate participating libraries
- Browse for and download popular magazines to read offline
- Access digital table of contents for each magazine
- Read articles in text view
- Tap highlighted areas to jump to articles and related websites
- Track percentage of magazine read

To download magazines to the app:

1. Using your preferred mobile app, tap on the Explore Tab.
2. Find your library using a geolocation or manual search.
3. Log in with your library card.
4. Browse all of your library's *Flipster* titles.
5. Download the current issue from the Explore Screen (or press the info (i) icon to browse and download back issues).
6. Once the download has completed, the magazine is available to read.

Browsing within the app

The *Flipster* Home screen is the default search screen and offers the ability to search for titles by keyword, as well as browse by Category, Latest Issues, and All Issues.

To create a Basic Keyword Search:

1. From the Home Screen, enter your search terms in the Find field and click Search. A Result List of magazines that match your search is displayed.
2. Click on a title or the Read This Issue link to read it in the *Flipster* viewer.
